In response thereto, the Applicants are concurrently and separately submitting a Request for Continued Examination (RCE) and a petition for a one-month extension of time. Presented herein are preliminary claim amendments, presented above, and an Interview Summary, presented below.

Interview Summary

Additionally, Applicants conducted a phone interview with the Examiner on November 5, 2003. Applicants' representative Joseph P. Mehrle conducted the interview on behalf of the Applicants. During that interview the Watanabe reference was discussed in view of Applicants filed application and existing claims. No agreement was reached during that interview but it was acknowledged that Watanabe includes no horizontally situated floating gate. It was also acknowledged that the vertical gates in Watanabe are not offset from one another with respect to the channel region.
